

M'KINLEY NOISE-MAKERS TO HOLD RALLY TONIGHT

Cheer King Bolte and Crowd of Tin-Panners Will Meet to Rouse Spirit

Boom-a-lacka, smoke-a-stacka,
Sis boom bah!
Chicka-lacka, fire cracka,
Rah, rah, rah!
Hust 'em up, spit 'em up,
Hold 'em down, Wow!
You're fighting for McKinley, boys,
So never say pan!

Armed with baton and megaphone, Cheer King Max Bolte will ascend to the platform in the McKinley High school assembly hall shortly after 8 o'clock this evening, and, with a preliminary "Are you ready, everybody? Put a little pep into it this time," officially open the second football rally in the presence of some 350 Black and Gold upholders and members of the alumni, for it is expected that at least that number of persons will be present.

Tomorrow afternoon comes the crucial football contest of the season, for if they win or tie the score, or hold their opponents down to a no-score game, they will still be in line for the 1913-14 championship. If they lose, Joe Sylva and David Kahalewal will go running for the hoodoo. The football team has been trained right up to the mark, and all that remains is to have the necessary vocal enthusiasm on the makai side of the field. Therefore the rally tonight, and therefore Bolte's ascension to the platform, following a few preliminary cheers, it is likely that Bolte will have something to say with regard to what will be expected of the student body on the field during the game. Then will come some speeches by former High school players and anybody else who may want to put in a word of advice. Following this, Bolte will again take the platform and lead another yell which will sound something like this: Pan, pan, pan!

Now, now, now!
McKinley High School,
That's the way how!

Now just what has been arranged in the way of an amateur "rodeoval" program has not been given out for publication, but strange whisperings in the corridors of the High school intimate that there will be "some time" and something "doin' all the while. Because of the fact that two of the members of Joe Sylva's Chin-ese orchestra are unable to play in K that, it is not likely that that aggregation will render that new song recently composed by Campbell Crozier, entitled "Ragging on the House-top," and unless other players are secured, some other selection will be substituted. It may be said that the manner in which the members of this orchestra execute music is remarkably well done. This orchestra, by the way, will be present at the football field to play the accompaniment to the following raving:

Huff and Whiff,
Whoops and Sneez,
Holy Mackeral!

We're the Cheeser!

The rally is scheduled to start promptly at 8 o'clock and every student and every member of the alumni is requested to be present and to bring a tin pan or horn; horse fiddles not allowed.

KAMEHAMEHA WINNER FROM SHAFER TEAM

In a fast and interesting practice game of football on Kamehameha field yesterday afternoon, the gridiron eleven from company A, 24 Infantry, Fort Shafter, went down to defeat before the husky cadet squad to the tune of 7 to 0. Weight and experience won for the Kams, but they found themselves up against strong opponents at all stages of the contest.

The game was principally for the purpose of drifting the teams in scrimmage work, as both are to figure in a number of games between now and the close of the football season. Kamehameha plays the Town team on the former's field at 3:30 o'clock tomorrow afternoon, and the company A aggregation is soon to take part in a series of games with the all-service squads. This latter series should be of great interest and provide the fans with plenty of good football.

The lineups:

Co. A.	Kams.
Lenz	Koani
Langly	Emo
Eatman	Simona
Donnelley	Hipa
Faltys	Kauwe
Turley, O'Brien	Cockett
Wood	Among
Thers	Napthaa

M'KINLEY AND PUNAHOU CLASH TOMORROW

Crucial Game of Season for the High School, Which Must Win to Stay in Running

BY HOWARD CASE.
The crisis is at hand. Whether or not the McKinley high school football eleven is to be retained in the ranks of those who are striving for the 1913-14 interscholastic gridiron championship will be determined tomorrow afternoon on Alexander field between the hours of 3:30 and 5:30 o'clock. For during that period the Black and Gold footballers will once again test their mettle against the Oahu college aggregation. It will be the vital contest of the season for the High school from the fact that if its team either defeats the collegians or holds them down to a tie or a no-score game, the McKinleyites will still have a fighting chance to bring home the laurels.

By defeating both the High school and the Kamehameha cadets, Punahou is thus far the champion in the interscholastic series. Although the collegians have been defeated by Captain "Scotty" Schuman's Town team, this defeat does not interfere with the decision of the school series. The interscholastic league was made triangular this year by the entrance of Kamehameha, the Town team being formed merely for the sport of the thing. One touchdown and one goal is all that the collegians hold against

The "Big Three," upon which the McKinley High School is depending to assist in winning tomorrow's game. At the left, Glenn E. Jackson, coach of the football team; at the right, top, the squad at practise; bottom, Max Bolte, cheer king, in action.

drilled on tactics relating to both the offense and defense, tackling has proved an item in the practice and the backfield has been coached in new plays, many of which will be seen tomorrow for the first time on a local gridiron. Jackson played football for four years on his varsity eleven and is well coached in all the fine points of the game under the new rules. In the High school's backfield tomorrow will be Campbell Crozier at quarterback, Lionel Brush at right halfback, Ki Fong and Clifford Melin at left halfback and Sam Kahalewal at fullback. These men have worked well together throughout the present season and with the training which they have received during the past week should make even a better showing tomorrow. Captain Joseph Sylva will be seen at his usual position at right end, while the pivot position will be played by Kenneth Reidford, both heavy players and sure tacklers. "Sonny" Hart and Tahita will hold down the guards and Rosehill, Ah Hin and Wong the tackles, and D. Kahalewal left end. This will be the line-up at the beginning and it is possible that several changes will be made during the course of the game. The High

school plans to have plenty of substitutes on hand in order that fresh men may be sent in when needed. Tomorrow will be the High school's one big chance to make good, and it is believed that she will take every advantage of the occasion.

Punahou Confident.
Having gained impetus by its success on the gridiron this season, the Oahu college eleven, under the leadership of Captain "Smiling" Bill Inman, is confident that it can take the game tomorrow. This does not mean that the collegians are possessed with a degree of overconfidence, for they are all aware that the game will be a fight from start to finish. It was by a mere fluke that the collegians took the game from the High school in their first contest this year, and it was keenly contested at every stage. The Punahou men will depend upon the "Big Four"—namely, Harry Baldwin, Ernest Baldwin, Stafford Austin and "Buck" Menoher—to do the brunt of the work tomorrow. Under the direction of Coach Frank E. Midkiff these men have undergone grilling practice during the last few days, while other coaches have worked with the line. The last two days have been given over to team work, lessons in tackling and perfecting new plays. Several changes have been made in the line, George McInerney having been shifted from the pivot position to right end, his place being taken by Hind. Whether this change will have any effect on the strength of the line will not be known until tomorrow's game, for "Mac" has played an excellent game at center thus far this season and it is no doubt difficult to pick a man who can handle the ball as he has done.

Allan Renton, who has been out of the game for a short time, will be back in the position of left guard tomorrow, while Stafford Austin, whose tackling was a feature of the recent

Punahou-Kamehameha game, will play at fullback. Bond, Kong Tai, King, O'Dowda, Quintal, Bertelmann and Kim Wai will be seen in their usual places, and Captain Inman will play tackle. According to the present outlook, both teams are evenly matched, and the game should be keenly contested and interesting throughout. It will be one of the big games of the present season, and there should be a large turnout of fans to see the sport.

Rooting Will Prevail.
Cheer King Maximilian Bolte of McKinley High school, and Yell Leader Emory of Punahou will have their respective tin-panning aggregations on the field in full force tomorrow, and the rivalry which is sure to prevail in the rooting will be an interesting feature. The High school students will have a surprise to spring in the way of novel decorations and it is expected that the collegians will pull off some sort of a stunt. The McKinleyites will hold a big booster rally at the school this evening, at which speeches will be made, songs sung, and a program of vaudeville run off. The rally held on the eve of the first Punahou-High School game this sea-

CAPTAIN INMAN
The several changes which have been made in the line-up of the Oahu College football team have served to greatly strengthen the squad, and I believe that we now stand a better show of defeating the High School by a bigger score than was the result of the last game. The Punahou team has held the interscholastic gridiron championship for many years and it does not intend losing it this season.

Both Teams Confident and Students Will Lend Their Vocal Support to Players

son was a marked success, but the one tomorrow evening will doubtless exceed it in volume of spirit.
First Lt. Frank S. Besson, who has capably led the majority of the first team games, will probably be called in to fill that position tomorrow, while 1st Lieutenant Miller of the marine corps will be chosen as umpire. The remaining officials will be chosen shortly before the game is called. There should be a goodly turnout of football fans at Alexander Field to witness this contest, which will, without doubt, be full of thrills for the boosters of both sides. With both squads evenly matched it will be a touch-and-go from beginning to end, and the best team will win, if there is to be a score.

The line-ups at the beginning will be as follows:

M.H.S.—	Punahou.
Sylva (Capt.)	McInerney
Rosehill, Wong	R.E.
Hart	R.T.
Reidford	R.G.
Kakita, Lee Kwei	Hind
Ah Hin	C.
	Renton
	L.G.
	Inman (Capt.)

It is possible that there will be a slim crowd on the Kamehameha field to witness the game, from the fact that the big High-Punahou contest will draw the majority of the fans. There was some talk of having both games played on Alexander Field, one to follow the other, but it appears that no conclusions could be reached in an attempt to settle this matter. Both games promise to be good, however, and the fans should turn out in large numbers.

The line-up:

with Kilsner, but Piszczek's longest "go" has been but 15 rounds, when he met Sailor Selman three months ago.

The eight round bout between Walter Carlin, the Field Artillery favorite, and "Bud" Walters is not quite to the liking of the post fight fans. Despite the improvement Carlin has recently shown in his style and methods he is not the brilliant boxer Walters is in the short fight, but judging from their meeting last month, he has Walters beaten a city block in the long run. The fans here are united in the opinion that for Walters to re-establish himself and to make good his flattering Manila press notices, he should meet Carlin over the 16-round route. There is absolutely no prejudice against a new comer in the Schofield barracks bouts, for the fans are always eager to welcome a new fighting blood but they do require a fighter, old favorite or newcomer, to make his fighting clean. Since his appearance last month, Walters has been advised of this demand and in his fight on the 14th he will undoubtedly show the fans that he can be entirely above board in this respect and, if he does this, whether he wins or loses, he will establish himself as a post favorite.

The class of preliminaries which Lieutenant Halg Sherkjian, the local manager, has been offering recently has been great drawing cards. Schofield barracks boasts a number of clever youngsters who are now seen at the game but who never fail to put over a surprise party for the fans. All of the names on the preliminary list for the 4th are to the good and all have shown here before. The little Britisher, Clark, of the First Infantry, is a great favorite, and with his ringmaster, McGrath of Fort Shafter, will pull off a fast bout. The 25th Infantry will be represented by Storey of the regimental detachment, and little Harris of the same organization. The usual arrangement for reserved seats to be sold in Honolulu has been arranged and the special train will be held for the convenience of the town fans.

SCHOFIELD FIGHT CARD LOOKS GLASSY

[Special Star-Bulletin Correspondence]
SCHOFIELD BARRACKS, Nov. 7.—Local interest in the card announced by the management of the Infantry Amusement hall enterprises for the bouts on November 14 is largely focused on the reappearance in the ring of the two First Infantry favorites, Kilsner and Piszczek.
The bout between these two classy fighters has been announced and the date set twice before but the meetings failed to take place owing to an injury to Kilsner's wrist which he received in his last fight in town. The big fellow's condition at present is reported to be excellent and there is no doubt now that the meeting will occur this month as advertised. Local bets are about even, with perhaps Kilsner a shade the favorite owing to the length of the fight. Piszczek's boxing skill, punch, capacity to assimilate stiff punishment are all conceded, but certain fans doubt his ability to hold himself as fit as his big rival to the end of a long fight. They also stoutly maintain that he will never be able to put Kilsner away early in the fight and that to win he will have to make the victory on points.
Fighting 20 rounds is an old story

BASKETBALL IS IN VOGUE WITH M.H.S. GIRLS

Under the direction of Coach Miss Mary Sullivan, the girls of the McKinley High school have gone in for basketball and are practicing on the field every evening in preparation for the coming interscholastic series. Judging from the large number of girls who have turned out for the sport, the McKinleyites will have a wide field of material to choose from in picking the five who will represent the institution on the first team.
It is expected that at least four teams will be in the field this season, namely, High school, Oahu college, Kamehameha and St. Andrew's primary, and other five may enter the series at an early date. The Punahou girls have been practicing for some time, and have already run off an inter-class series in which the sophomores were the victors. Inter-class games may also be arranged for at the High school. Among those who have turned out for the McKinley team are Miss Margaret McCarthy, Miss Mele Holt, Miss Bernice Kahamoku, Miss Thelma Auerbach, Miss Thelma Wicke, Miss Violet Lucas, Miss Mollie Thompson, Miss Madeleine Smith, Miss Ruth Seybolt and Miss Rose Holt.

SHAFER FORMS A NEW BALL LEAGUE; 14 TEAMS COMPETE

[Special Star-Bulletin Correspondence]
FORT SHAFER, Nov. 7.—A post baseball league, to consist of 14 company nines, has been organized here. Each of the 12 companies of the 2d Infantry will put in a team as will also the engineers and signal corps companies at the post.

Captains Matode and Lincoln and Lieutenant Booth are the governing directors of the league and have announced that the series is to consist of three games to be played by each team against every other team in the league. Games will follow each other daily and on a well arranged schedule, with dates left open to cover games postponed for any reason, and also to afford opportunity for the players selected for the regimental nine to play outside games. The full schedule is arranged to begin on November 15 and though but a few days have elapsed since the plan of a post league was adopted, the parade is well filled every afternoon with players at practice. New uniforms throughout will probably be provided and several of the nines are already so equipped.
Lieut. Charles B. Lyman of the 2d, who is to be in charge of the regimental team, will do some vigorous scouting during the company series to select material for the class A nine.

Elk Grove people who have seen the results of Thompson's work look on him as a second wizard in the electrical world and a worthy successor of son.

BOWLERS REVISE CLUB SCHEDULE

After a hard-fought match on the "Y" alleys last night, the Tumblers succeeded in capturing two out of three from the Patriarchs. They won the first game by the narrow margin of 30 pins then lost the second by 17. The third game was a tight clear up to the last ball, when the Tumblers won by only four pins. The pinfall for the three games was remarkably close, differing by only 11 pins. Cross of the Tumblers had the honors of the evening. The scores are as follows:

TOWN TEAM AND CADETS ON GRIDIRON

Meet on Kamehameha Field Tomorrow Afternoon for First Contest

Two games of first team football are on tap for tomorrow afternoon. Besides the Punahou-High School game at Alexander Field, Captain "Scotty" Schuman's Town Team will meet the Kamehameha aggregation on the latter's field at 3:30 o'clock, this being the first contest between these two teams this season.

As the Town Team has defeated both the McKinley High School and the Oahu College eleven, there is little doubt but that it will be able to take the cadets into camp, but the latter promise to put up a warm fight in order to prevent the veterans from crossing their line. A week of practice, and a practise scrimmage game with the Company A team of Fort Shafter has served to greatly strengthen the Kamehameha line-up, and it will go into the game tomorrow with the belief that it can give the Townies a harder rub than any other eleven now in the field. Very few changes have been made in the cadet line-up, and Captain Manoha will be back in his old position in the backfield. The Town Team has had a week of rest and practise and Captain Schuman reported this morning that his squad was in the best of condition and confident of taking the game against the Kams. The veterans will play with the usual line-up, with the exception that Rosa will be shifted from quarterback to halfback and Captain Schuman will play in the receiving position.

It is possible that there will be a slim crowd on the Kamehameha field to witness the game, from the fact that the big High-Punahou contest will draw the majority of the fans. There was some talk of having both games played on Alexander Field, one to follow the other, but it appears that no conclusions could be reached in an attempt to settle this matter. Both games promise to be good, however, and the fans should turn out in large numbers.
